## A VALUABLE MEDICINE

For Coughs and Colds in Children.  
"I have not the slightest hesitancy in recommending Chamberlain's Cough Remedy to all who are suffering from coughs or colds," says Charles M. Cramer, Esq., a well known watchmaker of Colombo, Ceylon. "It has been some two years since the City Dispensary first called my attention to this valuable medicine and I have repeatedly used it and it has always been beneficial. It has cured me quickly of all chest colds. It is especially effective for children and seldom takes more than one bottle to cure them of hoarseness. I have persuaded many to try it as a valuable medicine and they are all as well pleased as myself over the results. For sale by C. P. Champney, Druggist."

## SOLDIERS' MONUMENT

To be Unveiled on Saturday,  
May 24.

The Monument Committee have decided to unveil the Soldiers' monument in Perrysburg, on the Saturday preceding Decoration day, which date will be May 24. This is done in order that memorial day exercises in neighboring towns may be attended by the people in the various localities, many of whom might desire to attend the unveiling at Perrysburg, which they could not do if the monument was unveiled on Decoration day as was first intended.

It is understood that the Toledo Railways & Light Company will furnish their excellent band for the occasion.

Arrangements will be made to make the occasion a holiday and a programme of exercises will be given that will make the event well worthy the attendance of the people from all parts of Wood and Lucas counties.

## DEATH'S SUMMONS

Answered by three Well Known  
Perrysburg People.

On Tuesday morning, April 22, at 6 o'clock, George Boetsch passed to the better world, after an illness of a few days, pneumonia being the cause of death.

Mr. Boetsch was born in Baden, Germany, October 10, 1842. His father died in Germany, and the mother came to America, with her five children, the deceased being the eldest. Of the family one sister, Agnes, entered a convent in New York City, where she is now a teacher known as Sister Agnes; Caroline is housekeeper for Rev. Dr. Bower of Fremont; Theresa is a sister of Charity in Glandorf, Putnam county, O. Mary entered a convent at Buffalo, N. Y., where she remained until her death some years since.

In 1864, Mr. Boetsch was united in marriage with Miss Catharine Nellis of Maumee, whose death occurred about 25 years ago. Deceased never married again, and in his death is survived by four sons.

The funeral services were conducted at St. Rose of Lima church by Rev. J. H. Kleekamp, on Thursday morning, and the remains interred in Catholic cemetery.

Deceased was well known in this locality and had many sincere friends who deeply regret his sudden death.

The relatives and friends of Mrs. S. W. Lindsay, formerly of Perrysburg, were grieved to hear of her death, which occurred at Peoria, Ill., April 21st, after a severe illness of a few days.

Sarah McKnight Lindsay was born in Wooster, O., in 1817. Shortly after she became a resident of Perrysburg, and remained here until 1881, when she went to live with her daughter Mrs. J. L. Douglass of Peoria.

In 1837 she was united in marriage to Daniel Lindsay, with whom she lived happily thirty-two years. Eight children blessed their union, four of whom still survive her—Mrs. J. L. Douglass, of Peoria, Carey Lindsay of Toledo, Joseph Lindsay of Perrysburg and Henry Lindsay of Chicago.

Mrs. Lindsay joined the Presbyterian church in 1853, of which she remained a faithful and consistent member until her death.

Her cheerful and amiable disposition won for her a great many friends, who will mourn her departure.

During her illness she was conscious that the end was drawing near, but was not afraid of the "dark valley of the shadow of death," and "sustained and soothed by an unfaltering trust, she approached her grave, like one who wraps the drapery of her couch about her and lies down to pleasant dreams."

Her funeral services were conducted in Peoria, and a brief burial service in Perrysburg, Rev. Adams officiating. The remains were interred in Fort Meigs cemetery.

The funeral services of Mrs. John Henry were held at the First Presbyterian church on Monday, by Rev. G. A. Adams, and was the occasion of calling together a very large assembly of her relatives and friends.

Mrs. Henry was the daughter of Christian and Mary Ann Spilker. She was born in Hillsboro, Highland Co., Ohio, Dec. 17, 1837.

Her mother, Mrs. Mary Ann Spilker, and her six brothers and three sisters with their children, were at the funeral.

Deceased leaves a husband and family of small children to mourn their loss.

The remains were placed at rest in Fort Meigs cemetery.

## BETTER THAN PILLS.

The question has been asked, "In what way are Chamberlain's Stomach & Liver Tablets superior to pills?" Our answer is: They are easier and more pleasant to take, more mild and gentle in effect and more reliable as they can always be depended upon. Then they cleanse and invigorate the stomach and leave the bowels in a natural condition, while pills are more harsh in effect and their use is often followed by constipation. For sale by C. P. Champney, Druggist.

## NEW GAME LAW

Interesting to those Who Enjoy Hunting and Fishing.

The Archer game bill has been passed by the house and is practically a law, as the senate will concur in the house amendments.

The gun license feature is eliminated except as it applies to non-resident hunters who must pay a fee of \$25.

Trot-line fishing is prohibited in reservoirs and lakes, but not in rivers. Bass fishing is prohibited between May 1 and July 1, and bass can not be sold at any time. No fish can be caught through a hole in the ice. Turtle may be caught only in nets with meshes 5x5 inches.

Insectivorous and song birds are fully protected, other than game birds, and excepting the chicken hawk, blue hawk, crow, great horned owl and English sparrow.

The open seasons provided are: Quail, wild turkey, Nov. 10 to Dec. 1; woodcock and squirrel, Aug 1 to Sept. 1; rabbits, (by gun) Nov. 10 to Dec. 1; rail, plover and snipe, Nov. 10 to Dec. 1, and March 10 to April 20; wild duck, wild goose, swan, coot, mud hen, Sept. 15 to Dec. 1, and March 15 to April 20; prairie chicken, grouse, pheasant, are fully protected until Nov. 10, 1904.

Farmers can kill rabbits and squirrels on their own lands at any time when they are doing any injury to crops or trees. Quail must be shot on the fly, pot hunting being forbidden.

A day's hunting is limited to eighteen quail, woodcock, geese, plover and snipe; twenty-five duck, ten squirrel, six pheasant, prairie chicken or grouse. Bird farms are permitted.

School teachers are required to read to their pupils once or twice a year the section of the game law protecting song birds. Squirrels can be kept as pets. Game wardens are given power to search in cold storage warehouses, etc. A number of amendments were declared out of order and the bill was passed by a vote of 64 to 29.

Twelve years ago J. W. Sullivan of Hartford, Connecticut, scratched his leg with a rusty wire. Inflammation and blood poisoning set in. For two years he suffered intensely. ## BENEFIT OF SCHOOLS.

On Wednesday, 30th. of April, the Peet brothers will give an entertainment in the interest of our PUBLIC SCHOOL. The proceeds of the entertainment will be used for the improvement of the schools—either in adorning the room, or in securing apparatus for illustrating some of the subjects taught. If there was no object except this we feel sure that the parents and patrons of the schools—the townspeople in general would turn out, but when it is known that the entertainment is away above the average of musical entertainments we then conclude that every one will be anxious to buy a ticket.

The "ALUMINUM CHIMES"—a new departure in the musical world is worth the price of admission alone, but besides the chimes there is also the musical goblets, solos on mandolin, guitar and trombone, vocal solos and impersonations. It scarcely seems possible that the Peet brothers can give such a varied and artistic programme and be entirely satisfactory, but to be convinced of this, one has only to read the following notices which were selected from many similar ones.

"Peet brothers of Ithica, Mich., pleased a large audience at the L. U. B. church Friday evening. Their performances on the musical novelties, aluminum chimes and tumblers partly filled with water, elicited loud and continued applause. Their solos and character sketches were also of high character."

THE LEADER, Montpelier, Ohio.

Schoolcraft Express, Michigan says—"The entertainment given at Bell's hall Monday evening by the Peet Brothers, was a success. No more popular and varied entertainment has been given here this season. From beginning to end their selections were well chosen. The familiar tunes played on the chimes were especially appreciated. We hope they will come again."

The Peet Brothers of Ithica, Mich., gave an entertainment at the opera house last Wednesday evening, under the auspices of the high school for the library. The hall was well filled and all enjoyed the musical and literary treat served to them by the gifted brothers. The aluminum chimes especially charmed the audience and the performers were repeatedly encored."

## GOOD FOR RHEUMATISM.

Last fall I was taken with a very severe attack of muscular rheumatism which caused me great pain and annoyance. After trying several prescriptions and rheumatic cures, I decided to use Chamberlain's Pain Balm, which I had seen advertised in the South Jerseyman. After two applications of this remedy I was much better, and after using one bottle was completely cured.—Sallie Harris, Salem, N. J. For sale by C. P. Champney, Druggist.
